TESTIMONIAL OF CHARACTER

April 4

1962

Charles Fatoh

is known to me personally. His character is above reproach; his talents fit him for membership in a religious community devoted to Christian education; he is docile, genial, and free from those faults of disposition which unfit one for the social relations of religious community life. He is the son of good parents, to whose family no social blemish attaches.

Your child Charles Fatoaki - 1246 - 41<sup>st</sup> Ave had a negative reaction to the skin tuberculin test. This means that at this time there is no evidence of the organisms of tuberculosis in his (~~her~~) body.

Tuberculin tests are recommended at regular intervals. Since your child had a negative reaction it would be advisable to have the test repeated. This may be done by your private physician or the next time these tests are done in the school.

Re: Retention of Charles Fatooh on the faculty.

My position: Retain him.

Reasons: He has been an asset to the school.

- many years in the difficult, thankless resident division job;
- one of the several key people that helped the school through the 1971-72 financial crisis;
- a needed stabilizing influence on the Chatsworth Campus;
- great rapport with the community served by Chaminade Prep;
- an active and positive member of the Board of Directors;
- one of the sources of continuity among personnel in the school.

If the past is an indication of the future,

- he will continue to do good work;
- former Marianists have proven to be solid assets to the school and have been insistent on continuing the Marianist philosophy of the school.

May 24, 1977

Bro. Charles G. Fatooh, S.M.

Dear Bro. Charles:

It is my pleasure to inform you that the committee assigned for your evaluation has recommended that you be promoted to the rank of Instructor. The committee was most positive in its report.

The committee specifically mentioned the following as areas of strength: Your classroom control, your willingness to take on additional work, your support of the other teachers and your rapport with the students.

The committee felt that you could improve your presentation in class. They mentioned that you sometimes present too much material too fast; you occasionally seemed to shift from one subject to another in your lecture, making it difficult to follow, and that more extensive use of the blackboard during the lecture would be effective.

Most of the students interviewed mentioned that you often seem forgetful. Perhaps this is an area where you could also concentrate.

As I stated above, the committee report was most positive and you were rated as "superior" in performance in most areas.

Congratulations for your fine work and on your promotion.

Sincerely,

Ronald M. Staley  
President

Dear Christopher-

I only completed two of the three evaluations that I wanted to complete. The reasons were two-fold: one, I just ran out of time, and two, after re-reading the report I felt it was thorough enough.

The student evaluations were poor. I pointed this out to Bro. Charles and we both decided that they, (the students,) were motivated, in part, by his being dean. However, there is no denying that there were certain problems which the students felt existed. I was unable to ascertain the extent of these difficulties, or how severe they might be. In all fairness we all need improvement, and maybe in time Bro Charles's performance will be flawless. I would like to recommend that Bro. Charles be given his promotion. While observing

000029

his classes I found him to be in command of  
both the subject matter and students. His presentations  
were interesting, and for the most part the students  
appeared involved with what was happening in the  
classroom —

# PAPAL VISIT OFFICE

## Diocese of Monterey

December 31, 1987

Reverend Charles Fatooh  
Associate Pastor,  
San Carlos Cathedral,  
550 Church Street,  
Monterey, CA 93940

Dear Father Fatooh:

As Executive Director of the Papal Visit and on behalf of the Diocese of Monterey, I would like to thank you personally for doing an absolutely superb job as the Director of Protocol on the occasion of the visit of Pope John Paul II to the Monterey Peninsula on September 17th of this year.

The visit by the Pope, a Head of State, was an extremely complex undertaking that affected the entire community. It also required meticulous planning and careful coordination and follow-through to orchestrate the diverse requirements to accomodate some 75,000 participants at three major sites and to manage a workforce of some 3700 volunteers. Without question, your diligent efforts in a key leadership role played an important part in the success of this important endeavor.

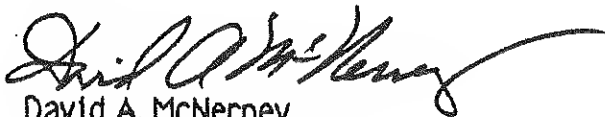

The position of Director of Protocol was exceptionally complex since it encompassed responsibility for a series of important areas to include protocol functions for religious hierarchy and senior government officials, ticketing at all three sites, accreditation to include security clearance for all those requiring special access, management of volunteers and arrangements for handicapped and those with special needs. It is also important to note that you assumed your duties relatively late in the planning process after the previous incumbent failed to perform satisfactorily. Despite the enormity of the challenges, you immediately took charge and commenced to build a viable organization. Relying on your significant administrative and managerial background, you recruited a number of key personnel, initiated a series of computer programs to handle the voluminous data and then trained personnel to do the required jobs. Working long hours day and night, you faced every challenge and found

000036

Innovative solutions to complex tasks. The proof of your excellence was that on the Seventeenth of September, all responsibilities and tasks within your purview at all three sites - Monterey Airport, Laguna Seca and Carmel Mission - went exceptionally well and that a series of last minute changes were accommodated to the satisfaction of all concerned. In sum, you did an absolutely superb job while in a position of critical responsibility.

In closing, I want to stress the joy that you brought to so many participants on this historic occasion because of your exceptional managerial ability and your tireless efforts. Your particular role in this important endeavor was also duly noted by the National Papal Visit staff, the Vatican staff, and Bishop Thaddeus Shubsda. I also want to express my personal appreciation for your superb performance. It was an absolute delight to have wonderful individuals such as yourself in key positions of responsibility upon whom I could rely for excellence. Thank you once again.

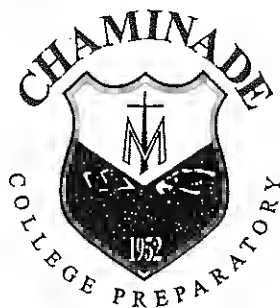

Sincerely,

Dear Brother Stephen,

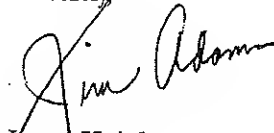

RE: [REDACTED] VS. DEFENDENT DOE 1, ET AL  
Los Angeles Superior Court, Case number BC308635

On January 3, 2006, Chaminade College Preparatory was recently served with a copy of the enclosed complaint for damages related to alleged sexual abuse associated with the conduct of an individual employed at the school during 1973 and 1974.

It is our understanding that Chaminade College Preparatory (known at the time as Chaminade High School) was operated by the Marianist Order during that time frame. Based upon this, we respectfully tender the defense and indemnity of this claim to the Marianist Province of the USA.

At this juncture, Chaminade College Preparatory has until February 2, 2006 to file a notice of representation in this action. Please advise me at your earliest convenience of the legal counsel you have retained to handle this defense.

Sincerely,

James V. Adams  
President

TESTIMONIAL OF CHARACTER

April 4 1962

Charles Fatooh is known to me personally. His character is above reproach; his talents fit him for membership in a religious community devoted to Christian education; he is docile, genial, and free from those faults of disposition which unfit one for the social relations of religious community life. He is the son of good parents, to whose family no social blemish attaches.

Your child Charles Fatooh - 1246 - 41<sup>st</sup> Ave had a negative reaction to the skin tuberculin test. This means that at this time there is no evidence of the organisms of tuberculosis in his (~~her~~) body.

Tuberculin tests are recommended at regular intervals. Since your child had a negative reaction it would be advisable to have the test repeated. This may be done by your private physician or the next time these tests are done in the school.

NAME: Brother Charles Fatooh, S.M.

COMMUNITY: Archbishop Mitty High School

RESPONSIBILITIES:

Brother Fatooh was suppose to be a full-time student at DeAnza College this year and also pursue nursing training at the Alexian Brothers Hospital in Santa Clara. He dropped one course at DeAnza because of his inability to grasp the material and is currently only taking one course in history. He has assumed some responsibility in the school - all of which are not connected with instruction. Brother Fatooh is still rather mixed up on exactly what he wants to do with his future in the Society of Mary. He does not want to remain in nursing and he still does not want to accept the fact that he will not exceed in the academic area. It was agreed that he would continue with his one course at college and his nursing program until the beginning of June when he would go to Honolulu in order to replace Brother Frank Matthews at the infirmary both for the summer and for the first semester. What Brother Charles will do in the future still remains a questionmark at this time.

Brother Charles has expressed a very deep interest in work as a practical nurse. It is planned to have him take a course this summer in first aid, this is an advanced course and next year to follow a course in biology to find out whether or not he could qualify for practical training for this nursing field. Brother Whiteman suggests that if Brother proves capable of completing this course for practical nursing at Saint Francis Hospital then he could during his senior year spend six months at the Alexian Brothers Old Folks' Home in Missouri and another half year at the U.D. Health Center.

## THE LITURGY OF THE WORD

### READING I

Jer 1, 49

A reading from the book of the prophet  
Jeremiah

Go to those to whom I send you.

The word of the Lord come to me thus:  
Before I formed you in the womb I knew you,  
before you were born I dedicated you,  
a prophet to the nations I appointed you.  
"Ah, Lord God!" I said,  
"I know not how to speak; I am too young."

But the Lord answered me,  
Say not, "I am too young."

To whomever I send you, you shall go;  
whatever I command you, you shall speak.  
Have no fear before them,  
because I am with you to deliver you, says  
the Lord.

Then the Lord extended his hand and touched  
my mouth, saying,  
See, I place my words in your mouth!  
This is the Word of the Lord.

# PSALM RESPONSE

## "You Are My Friends"

DONALD J. REAGAN

## READING II

1 Pt 4, 7:11

### A reading from the first letter of Peter

As good stewards be responsible for the different graces of God.

Remain calm so you will be able to pray. Above all, let your love for one another be constant, for love covers a multitude of sins. Be mutually hospitable without complaining. As generous distributors of God's manifold grace, put your gifts at the service of one another, each in the

measure he has received. The one who speaks is to deliver God's message. The one who serves is to do it with the strength provided by God. Thus, in all of you God is to be glorified through Jesus Christ: to him be glory and dominion throughout the ages. Amen.

This is the Word of the Lord.

## ALLELUIA

Taize.

000087

All this I tell you  
that my joy may be yours  
and your joy may be complete.  
This is my commandment:  
love one another  
as I have loved you.  
There is no greater love than this:  
to lay down one's life for one's friends.  
You are my friends  
If you do what I command you.  
I no longer speak of you as slaves,  
for a slave does not know what his master is  
about.  
Instead, I call you friends,  
since I have made known to you all that I  
heard from my Father.  
It was not you who chose me,  
It was I who chose you  
to go forth and bear fruit.  
Your fruit must endure,  
so that all you ask the Father in my name  
he will give you.  
The command I give you is this:  
that you love one another."

This is the gospel of the Lord.

## GOSPEL

Jn 15, 9-17

### A reading from the holy gospel according to John

I shall not call you servants; you are my friends.

Jesus said to his disciples:

"As the Father has loved me,  
so I have loved you.  
Live on in my love.

You will live in my love

If you keep my commandments,  
even as I have kept my Father's commandments,  
and live in his love.

Esa noche tuvimos una cena maravillosa con el Obispo de la Diócesis y el párroco de la iglesia en que asistimos a misa. ¡La cena comenzó a las 8:30 p.m. y no acabó hasta casi la medianoche!

La próxima mañana nos juntamos en el sede provincial y el gobernador de la provincia y el Obispo nos saludaron. ¡Nos dieron la bienvenida como peregrinos de la Misión San Juan Bautista, como los ya considerados hermanos y hermanas de nuestros anfitriones en esta hermosa provincia vasca dehido al Padre Fermín de Lasuén!

Recibí otro placer inesperado cuando llegamos a Loyola, el lugar de nacimiento de San Ignacio de Loyola. La hermosura de la basílica, y la manera en que la casa de San Ignacio había sido transformado con dignidad sencilla pero elocuente para presentar el culto de San Ignacio y la comunidad Jesuita verdaderamente nos impresionó. La casa familiar de Ignacio tiene cuatro pisos (construida en el 15º siglo) y el piso más elevado hoy día es una capilla, porque este era el lugar en que Ignacio pasó el retiro largo que le cambió la vida. Una gracia adicional y excepcional vino cuando celebramos la Eucaristía en esa capilla.

La procesión del rosario, la procesión del Santísimo Sacramento y la hendidión de los enfermos e incapacitados hacen la fe tan obvia que es impresionante. Celebremos la misa en una de las capillas de la Basílica y rezamos por las personas de la parroquia de San Juan Bautista y la Diócesis.

## Two priests named Prelates of Honor

In a statement issued by Monterey Bishop Sylvester Ryan it was announced that Pope John Paul II has conferred the title of Prelate of Honor upon Diocesan Chancellor and Moderator of the Curia, Father Charles Fatooh, and upon the pastor of St. Timothy's Parish, Morro Bay, Father Cornelius Sweeney. The title of Monsignor was bestowed upon the priests by papal decree April 16, 1997.

Bishop Ryan enjoined the Church of Monterey to keep Monsignor Fatooh and Monsignor Sweeney in prayer, and added, "All honors in the church remind us not only of good and faithful service to the church, but that all honors fundamentally speak to us of the instruction and example of Our Lord Jesus Christ, 'I have not come to be served, but to serve and to give my life as a ransom for others.'" The Bishop concluded by thanking the Holy Father for the honor he accords these two priests and "the manner in which these honors reflect on the entire presbyterate and the People of God of the Diocese of Monterey."

Monsignor Fatooh was appointed Administrator of the Diocese April 29, 1991, and served in that capacity until the appointment of Bishop Ryan to the See of Monterey. Monsignor Sweeney has exercised pastoral ministry in parishes in Los Banos, Bakersfield, Santa Cruz and Salinas. Prior to serving as pastor in Morro Bay, he was pastor of St. Joseph's Parish, Cayucos.

The title Monsignor comes from the Italian *monsignore*, "my lord." It is an honor accorded certain clerics in the church calling them

COUNCIL OF RELIGIOUS  
Diocese of San Jose

Minutes of the Meeting of January 16, 1990

The January meeting was held at Villa Sienna in Mountain View.

Present: Michelle Henault, SND ; Hector Cruz, SM; Harriet Dow, OSF ; Maria Clotilde Edora, AR; William Farrell, SM ; Daniel Germann, SJ; Jeanne Keating, FSPA; Josefina Montalvo, RSCJ; William Nick, CSC; Michele Randall, DC; Joseph Stefanelli, SM; Patrick Sugrue, OCD; Nicki Thomas, SNJM; Gisela Wittershagan, OP; Patricia Marie Mulpeters, PBVM (Vicar).

Items of  
Business:

1. Guatemala Trip Report -- Josefina Mondalvo, William Farrell

In the first hour of the meeting, Brother William Farrell gave a slide presentation of the first diocesan delegation trip to Central America. Among the four delegates were Brother William Farrell, Sister Josefina Montalvo of the Council. The slides gave a stark picture of the poverty, death, and suffering of the people of Guatemala who live in a modern day Church of the Catacombs.

The discussion which followed this presentation centered around a need for more active concern for Central America in the diocese, what our response might be, the need to send more delegates who will share their experience with ordinary church-going people, and the initiation of regular visits to Central America sponsored by the Diocese.

A decision was made to plan a celebration on June 30, the Feast of the Guatemalan Martyrs. It was suggested that the Council work on this in collaboration with the Hispanic Office.

2. Issues Meeting Report -- Chair: Dan Germann

Dan Germann reported on the Issues Committee meeting:

- a. Need for new members for the committee. (Father Marius would like to be part of the committee);
- b. a discussion on Bill Farrell's presentation of prison ministry;
- c. plans for the April 5 Issues Presentation for Religious of the

Diocese (although the council had recommended focus on the homeless, the committee also thought that the issue of Central America deserved consideration), they made the following proposal for the council's consideration:

- 1) divide the evening into two segments, one on homelessness and one on Central America
  - 2) focus on various aspects of one issue, either homelessness or Central America
- d. Members of the Issues Committee stated a preference for the second proposal, with the focus on Central America as they envisioned three components for the evening:
- 1) consciousness raising
  - 2) a consideration of what actions could be undertaken or proposed by religious regarding this issue
  - 3) consideration of the need in the diocese for mobilizing or coordinating the various efforts being made regarding this issue.
- e. Members requested suggestions of names of presenters, as well as other suggestions for making the presentation.

Decision: After discussion of the proposals, the Council sent them back to the Issues Committee and empowered them to make the decision.

3. Celebration of Religious Life Day -- Chair: Sister Gisela

Gisela reported the following agenda for the celebration:

- a. the event will begin at 4:30 p.m with a prayer service;
- b. this will be followed by a social session;
- c. to be followed by dinner featuring four kinds of foods--Mexican, Filipino, Italian, and American;
- c. the Bishop will address the group after dinner;
- d. the event will close with the singing of the Salve Regina.

4. Evaluation of the December 2 Prayer Service

Committee members who were present at the service were agreed that it was very well done. Between 150 to 200 were in attendance. Most impressive were the candle ceremony and the intensity of the response of the people in the pews. All said that Transfiguration Church was a good site.

- d. Is this not more of an opportunity for the bishop to tell us his plans for restructuring and his vision for the local church and a future diocesan assembly?

No conclusions were reached.

Bill Farrell gave out three articles: The California Catholic Detention Ministers Statement of Principles: "Go to jail, if you can't pull strings," a San Jose Mercury News feature by an inmate in the Santa Clara Jail; and "I Was In Prison," from the Christopher News Notes for January/February 1987.

The Jail Ministry report was placed on the next meeting's agenda because time had run out.

The meeting adjourned at 6 p.m.

## El Memorare

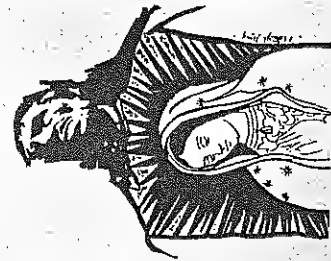

Acuérdate ¡oh piadosísima Virgen María! que jamás se ha oído decir que ninguno de los que han acudido a tu protección, implorado tu asistencia y reclamado tu auxilio, haya sido abandonado de Ti. Animado con esta confianza, a Ti también acudo, ¡oh Virgen, Madre de las Vírgenes! y aunque gimiendo bajo el peso de mis pecados, me atrevo a presentarme ante tu presencia soberana. No desprecies, ¡oh Madre de Dios! mis súplicas; antes bien, escúchalas propicia, y dignate acogerlas favorablemente. Amén.

## Alma de Cristo

Alma de Cristo, santifícame.  
Cuerpo de Cristo, sálvame.  
Sangre de Cristo, embriágame.  
Agua del Costado de Cristo, lávame.  
Pasión de Cristo, confortame.  
¡Oh buen Jesús! Oyeme.  
Dentro de tus llagas escóndeme.  
No permitas me aparte de Ti.  
Del enemigo malo, defiéndeme.  
En la hora de mi muerte, llámame,  
Y mándame ir a Ti.  
Para que con tus Santos te alabe,  
Por los siglos de los siglos. Amén.

**A**laba todo mil ser la grandexa, del Señor y mi espíritu se alegra en el Dios que me salva. Porque quiso mirar la condición humilde de su esclavo. En adelante, pues, todos los hombres oíran que soy feliz. En verdad el Todo poderoso hizo grandes cosas para mí; reconozcan que su nombre es Santo y que de padres a hijos sus favores recagan sobre aque-los que le temen. Su brazo realizó enormes hazañas dispuso a los soberbios con sus maquinaciones; sacó a los poderosos de sus tronos y puso en su lugar a los humildes. Repetio a los hambrientos de todo lo que es bueno y despidió vacío a los ricos. De la mano tomo a Israel su siervo demostrándole su misericordia. Esta fue la promesa que ofreció a nuestros padres y que reservaba a Abraham y a sus descendientes para siempre.

## A Nuestra Santísima Madre

Immaculada Virgen María, Madre de Dios, escucha benignamente nuestras oraciones, y recibe nuestras peticiones que unimos con las de todos los fieles en la tierra y de los ángeles y santos

en el cielo. Intercede por nosotros, amantísima Madre, y consíguenos la más grande de todas las gracias, de ser fiel a Ti y a tu Hijo hasta la muerte, y después de la muerte, obtener la felicidad en el cielo de alabarte, bendecirte y darte gracias, en compañía de todos los ángeles y santos, y contigo, amar y honrar a tu predilecto Hijo Jesucristo, junto con el Padre y el Espíritu Santo por toda la eternidad. ## MARY MOTHER OF JESUS THE CHRIST

Catholic devotion to Mary rests on a twofold foundation deeply rooted in the Christian Bible: Mary is the mother of Jesus who is God-made-flesh; and Mary continues to relate to the People of God through the union that exists among all believers, living and dead, in the oneness of Christ.

The principal element of this foundation, and the one which is at the root of all else we can say about Mary, is that she is the Mother of God. This title was given to her officially by the Ecumenical Council held at Ephesus in 431 A.D. It was the council's way of affirming publicly and solemnly what the generality of the Christian people already believed at that time: that the son of Mary is the second person of the Blessed Trinity who became one of us. In the Gospels, Luke and Matthew tell us that Jesus, the promised Messiah of the Jewish people, was conceived of Mary by the power of the Holy Spirit. This "Word made flesh" was made flesh precisely in the womb of Mary, the Virgin who thus became the mother of her God in human form.

Early Christians also saw Mary as the "new Eve," who by her consent to God's invitation brought Life to our world, in contrast with the first Eve who heard the word of deceit and with Adam brought forth death for their descendants. In the name of the whole human race, Mary was able to

place as his Mother, his disciple, his associate. The Second Vatican Council speaks of Mary as "inseparably joined to the saving work of Christ."

This is one more way of stating her holy motherhood of the Savior, and her continuing loving involvement in the salvation of all the brothers and sisters of her Son, indeed of the whole human race. As mother of Jesus, she is mother of God and mother of Christians; as disciple of Jesus, she is model of what the entire Church and each individual Christian is called to be.

Since the first days of the Church, our Lady (the Ma-donna) has held a very special place in the hearts of Christians. After the crucifixion of Jesus, she showed herself as the true mother of the Church by her presence with the disciples, united in prayer, one mind and one heart. As Christians of succeeding centuries meditated on her place in God's plan, they became progressively more conscious of her greatness and developed various ways of expressing their love and appreciation and praise. This devotion (in the sense of devotedness) to Mary, Pope Paul VI reminded us, fits "into the only worship that is rightly called 'Christian,' because it takes its origin and effectiveness from Christ and leads through Christ in the Spirit to the Father. In the sphere of worship this devotion necessarily reflects God's redemptive plan in which a special form of veneration is appropriate to the singular place Mary occupies in that plan. Indeed every authentic development of Christian worship is necessarily followed by a fitting increase of veneration for the Mother of the Lord."

In proclaiming the Marian Year, Pope John Paul II begins his letter on Mary with the beautiful and challenging text from Saint Paul: The Mother of the Redeemer has a precise place in the plan of salvation, for "when the time had fully come, God sent forth his Son, born of woman,

say "yes" to God's plan for union with us. By her "yes", she made possible the becoming-flesh of God, and all the consequences of that great act: our redemption, our salvation, our call to holiness and to eventual perfect union with our Creator. Because of that, she would, as she herself says, be called blessed by all generations of human beings until the end of our race. Graced by God, Mary was to give herself wholeheartedly to the saving plan of God, as mother and associate of the Savior, her son.

Mary was the first disciple of Jesus, accepting her place in God's plan and believing in the mission and destiny of her Son. But, like all Christians, she is not a believer in isolation from others whom her Son came to save. She shares in the fellowship and communion common to all believers, and like the others (saints) who are now enjoying the fullness of life and vision in God, she is keenly aware of those of us still here in this world. As we pray to them, we pray to her; even more, because she is so intimately united with her Son, we pray to her in a very special way.

Catholic theology tells us that, in consenting to the incarnation of her Son, Mary consented to God's plan for his people. More than that: in conceiving Jesus in her womb physically, she can be said to have conceived spiritually his entire Body -- the Body of which St. Paul speaks so beautifully in his writings. In God's plan, then, within the communion common to all the believers in Christ, Mary holds a special and unique

born under the law to redeem those who were under the law, so that we might receive adoption as sons and daughters. And because you are sons and daughters, God has sent the Spirit of his Son into our hearts, crying, Abba! Father!

And he concludes his letter with a text from the Second Vatican Council:

*Let the entire body of the faithful pour forth persevering prayer to the Mother of God and she who aided the beginning of the Church by her prayers may now, exalted as she is in heaven above all the saints and angels, intercede with her Son in the fellowship of all the saints. May she do so until all the peoples of the human family, whether they are honored with the name of Christian or whether they still do not know their Savior, are happily gathered together in peace and harmony into the one People of God, for the glory of the Most Holy and Undivided Trinity.*

# Letter of Congratulations

Dear Sister Julie Hyer and the staff of Dominican Santa Cruz Hospital,

Writing on behalf of the thousands of Roman Catholics who live in the Diocese of Monterey, I wish to offer congratulations to Dominican Hospital as it celebrates 50 years of service to the people of Santa Cruz.

We share your pride in the remarkable history you have accomplished since five Adrian Dominican Sisters and a handful of doctors worked diligently in a tiny facility across the street from the present site of the Dream Inn.

We share your pride in the growth you experienced as you expanded your mission and moved to the Sisters Hospital on Branciforte Avenue.

We share your pride in rallying the

support of Santa Cruz in the ambitious expansion program that brought Dominican Santa Cruz Hospital to its present site on Soquel Drive.

And we share your pride in the recent expansion of the scope of your services through the establishment of the new Dominican Rehabilitation Services at the former AMI Community Hospital facility.

While we have seen many changes in the physical size and location of the hospital during the past five decades, the quality of Dominican's care has remained consistently high. You have constantly provided all people of Santa Cruz, regardless of religious creed or economic status, with care that embodies the compassion and healing Spirit of Jesus Christ.

We have indeed been blessed through

the works of the Adrian Dominican Sisters. You have provided Santa Cruz with a tradition of dedicated and determined leadership—beginning with Sister Georganne Duggan, and including, over the years, such leaders as Sister Ann Herring, Sister Brigid McDonald, Sister Carolyn Harrison, Sister Josephine Sullivan, and yourself, Sister Julie Hyer.

May God bless you and your staff as you continue to serve our health care needs during the next decade when there will be even greater challenges for you to overcome as you make Christ's healing mission a reality for all of us.

Sincerely,

Bp. Charles A. Jatzoff  
Diocesan Administrator

Former Vice-principal Charles Fatooh has been appointed principal on the Chaminade Chatsworth campus, effective July 1, 1979.

He graduated from Pepperdine University with a B.A. in Psychology, and from Cal Lutheran with an M.S. in Education. He holds a State of California Secondary Life Credential and a Life Credential in Special Education.

The newly appointed principal has previously held the offices of Dean of Students and Administrative Coordinator of Athletics at Chaminade. He was a former member of the school board of directors and, since joining the staff in 1968, has taught psychology, religion and history.

Mr. Fatooh has been an extremely popular figure on campus, as shown by his selection in 1975 as "Teacher of the Year", and he is wished every success.

# Fatooh replaces Brown at chancery

A 42 year-old Lebanese priest, who is a former Marianist brother, has been appointed as the new Chancellor and Moderator of the Curia for the Diocese of Monterey.

Father Charles Fatooh will replace Bishop-Elect Tod D. Brown of Boise, Idaho who has held the position since 1982. (The Vicar General position held by Brown will be assumed by Monsignor Declan Murphy, pastor of Carmel Mission Basilica).

At first, some thought the appointment of Fatooh was one that came very early in his priestly career, but many were quick to point out that Bishop-Elect Brown was 45 when he assumed the same duties.

The credentials that Father Fatooh brings to his position are more than varied. In fact, one local diocesan official commented that his credentials are overwhelming.

Father Fatooh was born in San Francisco and spent his early days at Holy Name Grammar School in the Sunset District. He went on to Riordan High School. He is the son of Mary Fatooh who resides in Fresno.

He entered the Marianist Novitiate in 1964 in Santa Cruz. In 1965, he took his first vows as a Marianist brother

at Star of the Sea Church in Santa Cruz. After his vows, he went on to Chaminade University to study and then took a break in his education.

During his break, the order determined that he should go to medical school and study for his practical nurse license. This led to Father Fatooh working at the Marianist nursing home taking care of retired brothers.

Eventually, he went on to study under a history fellowship at Pepperdine University. Before he entered Pepperdine, he had left the Marianists. While at the university, he studied psychology, education and received his teaching credentials.

When asked why he had left the Marianists, he said, "While working as a administrator at the nursing home, I did not have the opportunity to be part of the total community. I was living in a time of dramatic change in the church. The community had grown, and I had grown apart from them because I was not totally involved in the process of their growth. Suddenly, I felt out of the system. But I continued to work for them as a layman. Our relationship to this day remains a close and healthy one."

When asked about the difficult transition to the lay state and then on to priesthood, Father Fatooh just smiled and said, "It wasn't really difficult at all. I believe in the team and family concepts of working together. They supported me and I supported them. In addition, there were so many other people supporting me in my days outside. I had support from family and friends. They helped

me when I entered the seminary to be a priest."

Over the years, Father Fatooh has learned administration and budget from a source of many experiences in the job environment. When asked about his administrative qualifications for the job he will now hold, he replied, "I have been fortunate to learn administrative skills from the very beginning. One of the things I have always tried to do is to surround myself with competent people. I am a team player. I learned early on from an administrator that it is important to play and work as a team. I remember that administrator deliberately making a decision and everyone was angry because they were not consulted. He told them—Now, are you ready to be team players? He made his point and I try to live by that example."

Father Fatooh was ordained for the diocese on April 24, 1985. He has served as an associate pastor at San Carlos Cathedral and at Sacred Heart Church in Hollister. In addition to his priestly duties at the parish, he has also been Director of Campus Ministry and served as the Protocol Officer

for the papal visit. When asked about his vision for the diocese and for his new position he was quick to point out that he has adopted no particular pre-statement or philosophy. He said that he will of course use his team concept and then he said, "You know, my Lenten journey has been an interesting one. I think we must all be ambassadors of Christ. We must learn to be sensitive to the church of Monterey and to the larger church and to the total people involved in the church. Therefore, we must be an example by being the lights for Christ. We must be forgivers. We must be healers and we must show compassion. We are not perfect yet, and that's how we'll grow by learning together."

Father Charles Fatooh assumed his duties at the Pastoral Office on March 1. He can be contacted at 408-373-4345. He is still ministering from Sacred Heart Church in Hollister. He does plan to move to the peninsula, but no new assignment for parish work has been made as yet.
